Preventive Measures against COVID-19 that to be Implemented from 21 February 2022 Collection of Proofs of Receiving COVID-19 Vaccination and Negative Nucleic Acid Test Result

Dear Postgraduate Students,

According to the advice from the Education and Youth Development Bureau (the DSEDJ), starting from 21 February 2022, staff and students of tertiary education institutions in Macao must present proof of completing 2 doses of the primary series of COVID-19 vaccine 14 days ago, when entering the campus. Those who were not fully vaccinated 14 days ago (receiving 2 doses of mRNA vaccines or Inactivated vaccines in the primary series) need to take nucleic acid test every 7 days.

If students fail to provide the abovementioned proof, they will NOT be allowed to enter the University or use any facilities in the campus, including the library, computer rooms, laboratories and residential colleges, etc. from 21 February. These students will be prohibited to attend the classes, thesis oral defence and report presentation on campus and will also be considered **ABSENT** during the said period. According to the University's rules, student who is ABSENT from a course for more than 20% of the teaching period in the aggregate will NOT be allowed to take the final examination and will receive a failing grade for that course.

For students who are planning to hold the “Proof of Receiving COVID-19 Vaccination” for the classes, thesis oral defence and report presentation on campus

- If you have completed two doses of COVID-19 vaccine, please upload the COVID-19 vaccination information ASAP. Your vaccination record will then be updated accordingly.
- If you are planning to hold only the “Proof of Receiving COVID-19 Vaccination” for the classes, thesis oral defence and report presentation on campus, you must complete two doses of COVID-19 vaccine on or before 7 February (7 February + 14 days → 21 February). Please upload the COVID-19 vaccination information ASAP after receiving the vaccine. Your vaccination record will then be updated accordingly.
- If you complete two doses of COVID-19 vaccine on or after 8 February, please upload the COVID-19 vaccination information ASAP after receiving the vaccine. Your vaccination record will then be updated accordingly. Please note that you will still be required to submit the “Proof of Negative Nucleic Acid Test Result” every week until you are fully vaccinated for 14 days.
- NOTE: If you complete only one dose of COVID-19 vaccine, you will be required to submit the “Proof of Negative Nucleic Acid Test Result” every week from 18 February until you are fully vaccinated for 14 days.
