- g) The original Medical Examination Report and original & a copy of the “Individual Vaccination Booklet” (including the pages about personal information and all vaccination record). Students are advised to bring along the original “Individual Vaccination Booklet” for checking when needed. Please note that the Medical Examination Report will be considered valid only with signature of the doctor and stamp of the hospital or medical centre. (Details please refer to the Instruction for Medical Examination) * **If students cannot submit the Medical Examination Report and Individual Vaccination Booklet during registration, students must submit the documents to the Graduate School’s office on/before 31 August 2023.**

If the applicant cannot provide the captioned documents, University has the right to withdraw his/her admission qualification.

4. Temporary campus card

Students who fail to submit the required documents stated in the letter of acceptance regardless of any reasons must provide a detailed justification for the failure of submission and notify the Graduate School **at least three working days** before the students’ scheduled registration date. Such students can only be issued a temporary campus card and cannot enjoy all the privileges as official students do. If you do not submit the proof for your graduation and degree and/or Medical Examination Report, we will not process your registration.

After submitting all required documents and completing registration, students will receive their student cards (campus cards).

5. Late Registration

Students who are unable to report for registration on the specified date are required to submit an application for late registration to the Graduate School. Except for medical reasons and other extraordinary circumstances, registration can only be delayed for at most 5 calendar days after commencement of classes (**The first day of 1st semester’s classes of the academic year 2023/2024 is 17 August 2023**). Students should submit the completed application form to the Graduate School **at least three working days** before the scheduled registration period. Otherwise, a late registration fee of MOP330.00 will be charged against students who fail to register by the date specified. Application form (GRS/Form/011) for late registration can be obtained at the Graduate School or website (<https://grs.um.edu.mo/index.php/current-students/application-forms/>).

6. UM Medical Insurance

UM medical insurance is mandatory for all registered students, except those are approved for exemption. The insurance scheme period starts from the registration day to 31 July 2024 and covers out-patient visits and hospitalization benefits. For further latest information about the UM Medical Insurance Scheme, Waiver Guidelines and Exemption Application, please visit the below website <https://srs.sao.um.edu.mo/medical-insurance/>.

NOTES

- All students must complete the registration in person.
- Non-registered new students can apply for deferment of study for not more than one academic year. Such applications will only be permitted for medical reasons and exceptional cases with sound justification. For medical reasons, students are required to submit medical certificates issued by hospitals at the time of application. For exceptional cases with sound justification, students are required to specify the reason and submit written certifications at the time of application. **Application for such deferment should be made to Graduate School before 3 July 2023** (Application should submit to the Graduate School’s office or by email).
- Non-registered new students must fulfill all the conditions stated in their offer letters and submit the required amount of non-refundable deposit before they become eligible to apply for deferment of study.
- Non-registered new students are not permitted to transfer to another major/programme when they apply for resumption of studies. The University reserves the right to change the study plan and cancel any programme without prior notice.
